To all Torrance Girls Softball players and parents,

As we approach the end of our 2009 Spring Season, I would like to remind all players and parents of our upcoming 2009 Fall Ball Season. As you know, we've seen exciting softball action this spring and lots of improvement in our girls, and we can expect to see even more during Fall Ball. This season gets underway the first part of September and concludes near the Thanksgiving holiday. During Fall Ball, TGSL girls play double-headers (with a small break in between each game) against other TGSL teams, as well as against teams from other leagues. (These games are played at home as well as at other fields in our district and are most often on Saturdays, though there can be an occasional Sunday outing.) Above all, the Fall Ball program is designed to be instructional so that the girls can continue to improve their skills and have FUN!

All currently registered 2009 players should soon receive Fall Ball registration forms via the U.S. mail. Completed forms can be mailed to Torrance Girls Softball League, PO Box 453, Torrance, CA 90508. Walk-up registration at our Levy fields (3420 229th Place in Torrance) will be Saturday, July 25 with late registration the following Saturday, August 1. Any parent/adult age 21 or older who would like to manage/coach a team should make note of their desire on the registration form.

We had a good turn out last year, and hope even more girls will participate in this 2009 Fall Ball Season. On behalf of the Torrance Girls Softball League, I would like to thank all players and adults for their participation and support during our 2009 Spring Season. I hope to see all of you during Fall Ball!
