- 3.4 The Board of Directors must approve all Managers in order to participate in team play.
 - 3.4.1 All team Managers and Coaches must meet the following minimum age requirements for Divisions (unless the Board of Directors grants an exemption):

12U Division	Coaches – 18 yrs.	Managers – 21 yrs.
10U Division	Coaches – 18 yrs.	Managers – 21 yrs.

T-Ball	Coaches – 18 yrs.	Managers – 21 yrs.

- 3.5 All Managers and all Team Parents, plus one Assistant Coach for each team, will be subject to a background investigation. Failure to comply or failure to pass the background check will result in immediate removal from team.

- 3.6 In the event a Manager resigns or replacement is needed, the Board of Directors must approve that replacement.
- 3.7 The Manager's primary responsibility is the safety and well-being of their team. They will further be responsible to find a Team Parent, Field Parent and a Team Scorekeeper for their team.
- 3.8 A female chaperone (minimum age of 18 years), must accompany the team any time it is assembled.
- 3.9 A Manager training clinic will be offered to all new and returning Managers before the start of each spring season. This will be at the expense of the League. Additionally, TGSL may pay for any Manager to attend an ASA-approved coach's clinic and/or ACE certification.

4.0 **Team Player Selection**

4.1 **Player Selection for 14U, 12U, 10U and 8U Divisions**

- 4.1.1 After Manager selection, a Placement Committee, composed of the President, Vice President, Player Agent and Division Commissioner will be formed for each of the four Divisions of players. Each Placement Committee and team manager will meet on their respective "draft nights" to conduct the assignment of girls to TGSL teams according to the guidelines expressed in this section.
- 4.1.2 Prior to draft night, the Placement Committee will rank all pitchers and catchers in numerical order per Division (e.g., 1 - 12). The committee will rank pitcher and catchers numerically, but will also check names to avoid any inaccuracies on rankings, such as a top all-star pitcher being ranked 7th or 8th because of a poor evaluation showing. Any decision must be unanimous.
- 4.1.3 The Placement Committee (see 4.1.1) will distribute the players as evenly as possible to the specified number of teams (e.g. even distribution of pitchers, catchers, etc.). This will be accomplished using a blind draft and snaking system. During this blind draft, the cards representing the daughters of Managers will be identified with an "M."
- 4.1.4 Daughters of Managers and only daughters of Managers will be considered Property Players. If necessary, Property Players will be traded to their parent's team for a comparably-rated player.
- 4.1.5 Sisters that are Non-Property Players will automatically be put on the same team. This will be accomplished by the lower-rated sister being traded to the higher-rated sister's team for a comparably rated player. This should be done prior to the drawing of Managers and team numbers by the Commissioners.
- 4.1.6 Any returning TGSL player who signs up and has been properly notified (see note regarding methods of notification) but does not get evaluated, will be placed at the end of the League waiting list or refunded their money. If placed on a team, this player will not be allowed to pitch during League play nor will she be eligible to play on an All Star Team.

Note: All returning players are notified by mail and/or email. A follow-up phone call will be made to any player who has failed to respond prior to the final sign-up date.

- 4.1.7 A new player signing up late and after the completion of the evaluation period will not be allowed to pitch during regular League play, but may be eligible for All Star Team placement with Board approval.
- 4.1.8 The Player Agent and concerned Division Commissioner shall decide where to place each late registrant or replacement player. If the Player Agent and the Division Commissioner cannot agree on the placement of a girl to a particular team, the President will make the tie-breaking decision.
- 4.1.9 TGSL will not honor requests to be on a particular team or with a particular person. This is due to the League's pursuit of fair, evenly matched teams.
- 4.1.10 Managers will not be allowed to make any trades of players during or after the draft. Managers will also not be allowed to bring new players on their teams without going through normal League registration procedures. Any infraction of this rule will result in the Manager losing his or her team and the players being re-distributed properly. (See 4.1.7 & 4.1.8)

4.2 Player Selection for T-Ball

- 4.2.1 T-Ball players will be assigned to teams by the T-Ball Commissioner.

5.0 Team Uniforms / Names

- 5.1 The team Managers, with the approval of the Board of Directors, will decide on team names.
- 5.2 The Uniform Coordinator, with approval of the Board of Directors, will decide upon the team colors and uniforms.
- 5.3 The official colors for TGSL All Star teams are: Red / White / Blue. However, other uniform / jacket color combinations are allowed when approved by the Board of Directors.

6.0 Scheduling and Game Length

- 6.1 The Board of Directors must approve the schedule.
- 6.2 The schedule should have the following:
 - 6.2.1 Times, places, and teams playing with an indication of which team is the home team.
 - 6.2.2 Each team is to play each other team an equal amount of games (if scheduling permits).
 - 6.2.3 Holidays and holiday weekends should be open if possible.
 - 6.2.4 The schedule for 8U, 10U and 12U, including regular season and playoffs should be complete at least two weeks before opening day.
 - 6.2.5 The schedule will clearly indicate when games begin counting towards playoff seating for 10U, 12U and 14U
- 6.3 The Division Commissioner and League Scheduler must approve any game that needs to be rescheduled.
- 6.4 No new inning shall start after **1 hour and 40 minutes** after the start time for the 14U, 12U and 10U Divisions, or **1 hour and 30 minutes** in the 8U Division, or after **1 hour** for the T-Ball Division.
- 6.5 Game time begins with the first pitch (i.e., game may be scheduled for 2 p.m., but the clock starts with the first pitch at 2:07). It is the responsibility of the umpire to alert both teams of the actual start time.

6.6 The next inning begins when the third out is recorded in the current inning.

7.0 **Rules for Play-offs**

- 7.1 There will be no play-offs or standings in the T-Ball Division.
- 7.2 In the **8U** Division no standings will be kept. There will be a Double Elimination Tournament at the end of the season to determine the Division Champions. Seeding for the Division Tournament will be decided by a blind draw conducted by the President, Vice President, Player Agent and Commissioner.
- 7.3 In the **10U**, **12U** and **14U** Divisions, standings will be kept and used for placement in a Double Elimination Tournament at the end of the season. The season will be broken into two parts. The first part of the season consists of practice games that do not count toward League standings. The second part of the season will count toward League standings and tournament seeding.
- 7.4 If Inter-League games are required during a League season, they do not count toward TGSL League standings. Only games between TGSL teams count toward TGSL League standings.
- 7.5 Trophies will be awarded from the League to all Division Champions and Finalists (second place teams), as well as all T-Ball players.
- 7.6 Championship games for 8U, 10U, and 12U shall consist of 6 innings.
 - 7.6.1 In the event that a tiebreaker is necessary to complete a championship game, a pitcher can return (even though she has already pitched three innings in the game), but she cannot pitch any consecutive innings in the tiebreaker.

8.0 **Responsibilities & Discipline**

- 8.1 All Players, Parents, Managers, Coaches and Board Members must sign the TGSL Code of Conduct and player contract. One parent or guardian's signature binds the entire family. Failure to sign the Code will result in the termination of the girl's registration. (See Appendix A for the TGSL Code of Conduct. In addition to the conduct spelled out in that document, TGSL Parents, Players, Managers, Coaches and Board Members shall also be bound by additional responsibilities as stated in this section.)
- 8.2 For violations of the Code of Conduct, there will be a three-strike progressive discipline policy:
 - 8.2.1 Anyone ejected from a game must miss the next two games for his/her team.
 - 8.2.2 Anyone committing a second offense will be suspended from Managing, Coaching, playing or serving as a Team Parent for the remainder of the season, but may attend games as a spectator; if it is a parent's second offense their offense will be subject to board review.
 - 8.2.3 Anyone committing a third offense will be not allowed on the property for any TGSL game for the remainder of the season.
 - 8.2.4 Anyone committing an offense will be notified in writing and will have the right to appeal a decision to the Executive Board.
- 8.3 No smoking or other tobacco products are allowed on school grounds or on the playing field.
- 8.4 No narcotics or alcoholic beverages are allowed during league games, practices or any league function. Failure to comply will result in immediate suspension of play.

- 8.5 Spectators or team members will in no way interfere with the normal progress of the game or commit any other acts that could be considered un-sportsmanlike conduct which could result in ejection from the game. Derogatory remarks, profanity and inappropriate outbursts will not be tolerated. If a problem arises, the Manager will be informed of the problem and the game will not proceed until solved. If a spectator or team member becomes hostile, the police will be summoned to deal with the problem.
- 8.6 Attendance at games and practices is mandatory and habitual absences will not be tolerated. If, in the opinion of the Manager, the player has too many absences, the Manager may drop the girl from the team with the approval of the Division Commissioner and the Player Agent.
 - 8.6.1 In the event a player is dropped from a team due to habitual absence, no refund of registration fees shall be given.
- 8.7 The home team is responsible for field set up. The visiting team is responsible for taking down, dragging and watering the field after games. All teams are responsible for dragging, watering and litter clean-up of the field their team uses after every practice.
- 8.8 All trash and loose articles in the dugout are to be picked up or stored after each game. Trash around the fields shall be placed in appropriate containers. The Torrance Unified School District forbids the littering on school grounds. Trash cans must be emptied and cans re-line.
- 8.9 Failure to comply with 8.7 and 8.8 stated will result in the manager being subject to board sanctions.
- 8.10 All girls must remain in the dugout unless on the playing field. No one other than team personnel is allowed in the dugout.
- 8.11 No dogs allowed on school grounds.
- 8.12 Only two coaches shall be allowed on the dirt (in 1st and 3rd base coaching boxes) when a team is batting. Only one defensive coach shall be allowed on the dirt (typically on the bucket calling pitches).

10.0 All-Stars

- 10.1 TGSL will recognize and support two All-Star teams per division, as deemed appropriate by the TGSL Board and based on the depth of talent. The first team will be known as the Gold All-Star team, while the second team will be known as the Silver All-Star team. Should a division's talent warrant a third team, it would be known as the Bronze All-Star team, subject to board approval.
- 10.2 On May 1, each Manager will submit to their Division Commissioner a list four players from their team they feel should be considered for All-Stars. Managers will submit player name and number.
- 10.3 The Division Commissioners will then compile a ballot of the All-Star candidates from their respective divisions and distribute them back to their Managers within two hours.
- 10.4 A representative appointed by the TGSL Board shall conduct an All-Star procedures meeting for all Managers and Division Commissioners.
- 10.5 Each Manager will evaluate the players on the other teams in their respective division throughout the season. Each Manager will only evaluate players from the other teams, not their own players.
- 10.6 On May 1, all the Managers in each division will turn in their All-Star ballots to their division Commissioner. On their ballots they will numerically rate all the potential All-Stars from the other teams in their Division (e.g., 1 – 20 for six-team divisions, 1-24 for seven-team divisions, etc.). The number one player on each ballot will receive 20 (or 24, etc.) points, the number two player will receive one less.

- 10.7 Final All-Star rating sheets must be turned into the TGSL Secretary for filing after the teams have been selected.
- 10.8 The ballots will then be given to the Player Agent and TGSL President to be tallied. Each player's score will be averaged and a complete list compiled of the top players per each Division.
- 10.9 The top six players (or seven, etc. should there be a tie for the sixth position) on the All-Star list will automatically receive invitations to be on the Gold All-Star team. If one of the top six players declines their invitation, the seventh player will automatically be given an invitation to be on the team, etc. The All-Star Manager will pick the remaining players invited to be on the team from any player within the correct age group.
 - 10.9.1 No player invited to play on a Gold All-Star team is eligible to play on a Silver All-Star team. The TGSL Board must approve any exceptions.
 - 10.9.2 After the Gold All-Star manager has completed his roster, the Silver All-Star manager may begin contacting players.
 - 10.9.2 All players invited to play on the All-Star teams must have played at least half of the games that year in the Torrance Girls Softball League.
- 10.10 TGSL All-Star teams will have a minimum of twelve (12) players and a maximum of fourteen (14) players. The total number will be decided by the All-Star Manager.
- 10.11 Any player playing up a Division shall first be allowed to play Gold All-Stars in that Division if selected by and given an invitation from the Gold All-Star Manager. If not selected in that Division, she may be invited to play Gold All-Stars in her age-appropriate division. (Gold in the lower division has priority over Silver in the up-division.)
- 10.12 Any Manager of the current TGSL season wishing to be the All-Star Manager in their Division should submit an application to their Commissioner by the first Monday in March. The Division Commissioner will then forward the applications received to the Board of Directors. The All-Star Manager in each Division will then be chosen by the Board of Directors of TGSL by secret ballot at the next Board meeting. The All-Star Manager must have attended the ASA Coaches Clinic and must be ACE certified.
- 10.13 The All-Star Manager shall select the All-Star Coaching staff.
- 10.14 The Torrance Girls Softball League will provide equipment, insurance, playing fields and will pay for the Gold and Silver All-Star teams uniforms and any ASA-sanctioned tournaments they attend (e.g., Districts, State, Nationals). Any other non-sanctioned tournaments the All-Star teams attend will be at the expense of the players' parents or team sponsors. Any other team expense and non-essential uniform items such as jackets, sweatshirts, or any other item will also be at the parents or sponsors' expense.
- 10.15 As a stipulation of their child being on an All-Star team, each parent will agree to work the TGSL Summer Classic Tournament. This tournament reimburses League expenses from the All-Star team programs. A retainer of \$100.00 will be collected from each player's parents to ensure participation during the Tournament. Should this retainer be forfeited due to not meeting this work requirement, the monies will be put into the TGSL General Fund.
- 10.16 Required parent participation will include, but will not necessarily be limited to, the following:
 - a. Working in the snack bar.
 - b. Working on the fields before, during and after the tournament.
 - c. Selling T-shirts.
 - d. Operating the check-in table.
 - e. Tournament scheduling.

- 10.17 The managers of All-Star teams must present a copy of their final budget report to the All-Star Coordinator or Board Designee and players' parents for accountability within two weeks of the conclusion of their team's season.

11.0 Fall Ball

The intent of the Torrance Girls Softball League Fall Ball program is for it to be an instructional, fun and fundamentals-type program. The goal will be to field equal and competitive teams from the number of participants allowed. Each and every player should have the opportunity to benefit from an equal and fair experience. . Our philosophy is that Fall Ball is about teaching and developing players, not winning games.

- 11.1 The Torrance Girls Softball League shall offer a Fall Ball program to any eligible player who wants to play. The Fall Ball program will run from September through November, provided there are enough managers and players to support such a program.
- 11.2 Fall Ball requires traveling to other leagues approximately half the time.
- 11.3 Fall Ball registration forms will be created and distributed to all TGSL players before the end of the current regular season and prior to any League play-offs or tournaments.
- 11.4 Registration for Fall Ball will be the 4th weekend in July and/or the first weekend in August.
- 11.5 A Fall Ball Team Placement Committee will be formed from the current TGSL Board. This Committee will consist of the President, Vice President, Fall Ball Commissioner and Player Agent.
- 11.6 After manager selection, a Placement Committee composed of the President, Vice President, Player Agent and Fall Ball Commissioner will be formed to form teams in each division. The Placement Committee and team manager will meet on their respective "draft nights" to conduct the assignment of girls to TGSL teams according to the guidelines expressed in this section.
- 11.7 Returning TGSL players will be rated based on the numbers given to each during evaluations for the prior spring season.
- 11.8 The Team Placement Committee will conduct an evaluation for all non-returning (or new) TGSL players. The same player evaluation procedures used in rating players for regular season will be followed. (See section 2.6)
- 11.9 The goal of the Fall Ball draft is to provide evenly matched teams with an equal distribution of pitchers, catchers, position players and All Stars to each team. This will be accomplished using a back-and-forth snaking system distributing new and returning players based on their evaluation ratings in a blind draft. This will begin with the draft of the older, second-year pitchers in that division followed by the draft of the first-year pitchers. The catchers and key position players will be drafted in the same fashion: the second-year catchers will be drafted first using the snaking system, followed by the younger, first-year catchers; the second-year position players will then be drafted, followed by position players in their first year in that division. Once the players have been distributed, the ratings for each team will be added to ensure fairness. The Placement Committee will not honor requests to be on (or not on) a particular team, to be with (or not with) a particular Manager, or to be with a particular player. This is due to the League's pursuit of fair, evenly matched teams.
- 11.10 The Fall Ball Placement Committee shall decide on the placement of any and all players who sign up late. The same penalty applies for players brought on illegally to Fall_Ball teams as during regular TGSL season play.
- 11.11 All TGSL Fall Ball teams and Managers must be approved by the Board.

- 11.12 There will be a 50% refund of registration fees paid if the player withdraws prior to the team draft after which time there will be no refunds. Any exceptions will require Board approval.

Torrance Girls Softball League

Supplemental Playing Rules to the ASA Rulebook

Rule 3

Catchers must always wear full protective gear when warming up a pitcher and during games and practices.

Rule 3

Batters, base runners, on-deck batters and player Coaches during games and practices must always wear helmets. (For 8U, 10U, 12U and 14U Divisions, such helmets must have NOCSAE-certified face masks.) Deliberate removal during a game before re-entering the dugout will result in a warning; any further occurrences during that game will result in outs.

Rule 3

A legal bat for League use is labeled "Official Softball" or "ASA certified." Bats that do not have ASA certification may not be used in All Star tournaments.

Rule 4

- a. Each player present at the start of the game will bat round robin on offense and on defense no girl can sit two innings until every other girl on the team has sat one inning. Violations of this rule will result in forfeit.
- b. All players bat round robin, whether or not they are playing in the field during an inning.

Rule 4

- a. In all Divisions, a team may play with seven players with no penalty.
- b. Late players arriving after their turn at bat will be placed on the bottom of the line-up with no penalty.

Rule 5

Games called due to inclement weather or darkness prior to the completion of five innings for 14U or four innings for 12U, 10U and 8U will be continued at a later date, as scheduling permits. The game will resume from the last completed inning. The Player Agent and the League Scheduler shall reschedule the game. Otherwise, the game score at the end of the last complete inning will stand.

Rule 5

- a. A regulation 14U game shall consist of seven innings.
- b. A 14U game that is tied at the end of seven innings shall be continued by playing one additional inning, using the tie-breaker rule. All innings played after seven innings will start with a runner (the last out from the prior inning) on second base. The game shall extend using the tiebreaker rule for one additional inning only. Any game remaining tied after one additional inning shall remain a tie in the standings.
- c. A regulation 12U, 10U or 8U game shall consist of six innings.
- d. A 12U, 10U or 8U game that is tied at the completion of the game shall stand.

Rule 5

Forfeiture time is the scheduled start time or availability of the field. If neither team is able to field the required seven players – a double forfeit shall be declared and each team will be awarded a loss. For all games, if only seven players have arrived ready to play, then start the game. For each forfeit, a score of 6 to 0 shall be entered and 7 to 0 for 14U Division.

Rule 5

Games that are not considered regulation shall be played starting from the last completed inning. Line-ups shall be the same as that of the original game at the time play was suspended. The time limits of Rule 5, Section 3.h will apply.

Rule 5

No new inning shall start after **1 hour and 40 minutes**, after the start of the game for 14U, 12U and 10U Divisions (or **1 hour and 30 minutes** in the 8U Division or after **1 hour** for the T-Ball Division).

a. For the purpose of timekeeping, the game starts with the first pitch, not at the scheduled time or when the umpire thinks it should start. For the purpose of starting new innings in the face of a time limit, the new inning starts at the time of the third out of the previous inning.

b. The umpire shall declare “open innings” for any inning beginning after 1 hour and 20 minutes for 14u, 12u, 10u, and any subsequent innings are without run restriction. The umpire shall make the same call at 1 hour and 10 minutes for 8u.

Rule 6

a. A pitcher shall not pitch more than four innings per game in 14U; or more than three innings per game in 12U, 10U or 8U. Incomplete games shall be played with the pitching reverting back to the conditions present when the game was called.

The penalty for violation of the pitching substitution rule shall result in forfeiting the game to the team not at fault. If both teams are in violation of this rule in the same game, a double forfeit shall be declared and a loss will be awarded to both teams. A formal protest must be presented at the time of the violation in the normal manner. However, any Manager in that Division may protest this violation.

b. A pitcher shall be charged with an inning pitched when she is on the mound and delivers a pitch to a batter, whether legal or illegal, or a “no pitch” is declared for a runner leaving the base too soon.

Rule 6

There shall be only one charged conference between the Manager and/or any other representative from the dugout with each and every pitcher in an inning, and only two charged conferences with any one pitcher during a game. The second charged conference during an inning or third during a game with any one pitcher shall result in her removal from the pitching position for the remainder of the game. The time out to change the pitcher is not a charged time out.

Rule 7

Only one time out shall be granted to the offensive team during each inning. Additional time outs shall each be charged with a strike for all Divisions.
