Dear Torrance Girls Softball League Sponsor, Business Owners & Residents:

On behalf of the Torrance Girls Softball League, we would like to invite you to participate in our 2012 season! TGSL has over 250 children participating in our program. As a sponsor, you will provide our City's girls with the opportunity to engage in an activity that will provide memories they can cherish for a lifetime, while also promoting your business. Our low registration fee is due in large part to the financial support of our sponsors, whose donations help defray some of the costs associated with a program of this size.

The Torrance Girls Softball League has a wide range of softball playing opportunities for every 5- to 14-year old. The league promotes the development of athletic skills through participation, as well as very important social values that are nurtured through sportsmanship, teamwork and the development of friendships. Our league games are played at the Levy Hull School at 3420 229<sup>th</sup> Place in Torrance. If you're in the neighborhood on Saturdays, stop by and watch the fun!

Your generous donations help keep the registration costs down for our families and provide needed field maintenance and safety equipment. Not only does your sponsorship provide for great exposure throughout the community, it allows you the opportunity to provide the community with a sign of thanks for the support it has provided your business over the years. Please help us with this worthwhile cause.
